“The 12th KHON KAEN FESS COURSE
: HANDS-ON DISSECTION IN FRESH FROZEN CADAVERS”
January 2017, 17th
Faculty of Medicine Khon Kaen University Thailand

Course Director:
Assoc. Prof. Sanguansak Thanaviratananich, MD, MSc.

Course Co-Directors:
Assist. Prof. Surapol Suetsrong, MD
Assoc. Prof. Wisoot Reechaipichitkul, MD
Assist. Prof. Seksun Chainansamitr, MD
Assist. Prof. Pornthep Kasemsiri, MD
Dr. Pattaramon Chomchumpol, MD
Dr. Watchareeporn Teeramatwanich, MD

International Speakers/Instructors
Prof. Aldo C Stamm (Brazil)   Assoc. Prof. Siow Jin Keat (Singapore)
Dr. Rusdian Utama Roeslani (Indonesia)  Dr. David Chin (Singapore)
Dr. Budi Sutikno (Indonesia)

Local Speakers/Instructors
Assoc. Prof. Somchart Sangsa-ard   Assoc. Prof. Perapun Charoencharsri
Assoc. Prof. Virat Kirtsreesakul  Dr. Chakapan Promsopa
AGENDA

Chairperson: Dr. Rusdian Utama Roeslani
Co-chair: Assoc. Prof. Sanguansak Thanaviratananich

08.00: Registration
08.30: Opening Remarks
08.40: Clinical, Surgical and Radiologic Anatomy of the Paranasal Sinuses
   Prof. Aldo Stamm
09.10: Endoscopic Sinus Surgical Technique: What & How to Do and Avoid
   Prof. Siow Jin Keat
09.30: Proper Use of the instrumentation for FESS: What & How to Do and Avoid
   Dr. David Chin
09.50: Frontal Sinus Surgery: What & How to Do and Avoid
   Prof. Aldo Stamm
10.10: Postoperative Care: What & How to Do and Avoid
   Prof. Siow Jin Keat
10.30: Coffee/Tea Break

Chairperson: Dr. Budi Sutikno
Co-chair: Assist. Prof. Pornthep Kasemsiri

10.50: Revision Sinus Surgery: What & How to Do and Avoid
   Prof. Aldo Stamm
11.10: Group Photo

Moderator: Prof. Siow Jin Keat
Dissector: Prof. Aldo Stamm

11:20: Endoscopic Sinus Surgery Demonstration in Fresh Frozen Cadavers (Maxillary Sinusotomy, Ethmoidectomy, Sphenoidotomy, Frontal Sinus Surgery, DCR, ESPAL, Orbital Decompression, Optic Nerve Decompression, Medial Maxillectomy, Septoplasty)
12.20: LUNCH
13.20: Hands-on Dissection with Faculty
17.00: Closing
“The 5th KHON KAEN INTERNATIONAL COURSE IN ADVANCED ENDOSCOPIC SINUS AND SKULL BASE SURGERY:
HANDS-ON DISSECTION IN FRESH FROZEN CADAVERS
January 2017, 18-20th
Faculty of Medicine Khon Kaen University Thailand

Course Director:
Assoc. Prof. Sanguansak Thanaviratananich, MD, MSc.

Course Co-Directors:
Assist. Prof. Surapol Suetrong, MD
Assoc. Prof. Wisoot Reechaipichitkul, MD
Assist. Prof. Seksun Chainansamitr, MD
Assist. Prof. Pornthep Kasemsiri, MD
Dr. Pattaramon Chomchumpol, MD
Dr. Watchareeporn Teeramatwanich, MD

International Speakers/Instructors
Prof. Aldo C Stamm (Brazil)  Prof. Ricardo L Carrau (USA)
Assoc. Prof. Daniel Prevedello (USA)  Assoc. Prof. Siow Jin Keat (Singapore)
Prof. P.K. Purushothaman (India)  Prof. Phone Myint Tun (Myanmar)
Assoc. Prof. Mark Thong (Singapore)  Dr. Rusdian Utama Roeslani (Indonesia)
Dr. David Chin (Singapore)  Dr. Budi Sutikno (Indonesia)
Dr. Tran Viet Luan (Vietnam)  Dr. Nevielle Teo (Singapore)
Dr. Gan Eng Cern (Singapore)  Dr. David Loke (Singapore)
Dr. Kang Wee Lee (Singapore)  Dr. Lim Keng Hua (Singapore)

Local Speakers/Instructors
Assoc. Prof. Somchart Sangsa-ard  Assoc. Prof. Kanit Muntarbhorn
Assoc. Prof. Perapun Charoencharsri  Assoc. Prof. Songkot Aieumjaturapat
Assoc. Prof. Rungsak Siwanuwan  Assoc. Prof. Ake Hansasuta
Assoc. Prof. Kornkiat Snidvongs  Assoc. Prof. Supinda Chusakul
Assoc. Prof. Virat Kirtsrisakul  Assist. Prof. Prayuth-Tunsuriyawong
Dr. Wuttipong Tirakotai  Dr. Porn Narischat
Dr. Puangmali Praweswararat  Dr. Boonsam Roongpuvapaht
Dr. Pitchayen Duantongpol  Dr. Jate Lumyongsatien
Dr. Kangsadarn Tanjararak  Dr. Chakapan Promsopa
AGENDA

Jan. 18, 2017: Day 1 Advanced ESS & Skull Base

08.00: Registration
08.30: Welcome Speech

Chairperson: Prof. P.K. Purushothaman
Co-chair: Dr. Boonsam-Roongpuvapaht

08.45: Essential Anatomy and Principle of Endoscopy Skull Base Surgery

   Prof. Aldo Stamm

09.15: Endoscopic Transsphenoidal Approach to Pituitary: Indication and Difficult Pituitary Tumor

   Prof. Aldo Stamm

09.45: Role of Endoscopic Endonasal Surgery for Pituitary Tumor Involving Cavernous Sinus

   Prof. Ricardo Carrau

10.05: Reconstruction after Endoscopic Skull Base Surgery

   Prof. Ricardo Carrau

10.20: Learn from Case Presentation
11.00: Group Photo
11.10: Coffee/Tea Break

Moderator: Prof. Siow Jin Keat
Dissector: Prof. Aldo Stamm & Prof. Ricardo Carrau

11.30: Demonstration of Endoscopic Skull Base Surgery in Fresh Cadaver: Endoscopic Transsphenoidal, Transplanum, Transclivus Approach, Endoscopic Harvest flap: NSF, Rescue flap, Reverse flap
12.20 Lunch
13.20: Hands-on with the Faculty
16.30: End of the Day
18.00: WELCOME DINNER at Faculty of Medicine
January 19, 2017: Day 2 Advanced ESS & Skull Base

Chairperson: Assoc. Prof. Kanit Muntarbhorn
Co-chair: Dr. David Chin

08.15: Advanced Techniques for Endoscopic Frontal Sinus Surgery (Including Lateral Frontal Sinus Recess Access)

Prof. Aldo Stamm

08.40: How I Do It: Expanded Endoscopic Transcribriform Approach

Prof. Daniel Prevedello

09.05: Endoscopic Endonasal Management of Superior Orbital Fissure Lesion

Prof. Daniel Prevedello

09.30: Endoscopic Endonasal Approach for Orbit: Intra and Exraconal lesions

Prof. Ricardo Carrau

10.00: Role of Endoscopic Endonasal Orbital and Optic Nerve Decompression: Indication & Limitation

Prof. Ricardo Carrau

10.25: Break

10.45: Learn from Case Presentation

Moderator: Assoc. Prof. Kornkiat Snidvongs

Dissectors: Prof. Ricardo Carrau & Prevedello

11.10: Demonstration of Endoscopic Skull Base Surgery in Fresh Cadaver:
Endoscopic Decompression of Orbit and Optic n.
Endoscopic Craniofacial Resection
Endoscopic Approach to Orbital apex, Superior Orbital Fissure

12.20: Lunch

13.20: Hands-on with the Faculty

16.30: End of the Day
January 20, 2017: Day 3 Advanced FESS & Skull Base

Chairperson: Assoc. Prof. Ake Hansasuta
Co-chair: Assoc. Prof. Mark Thong

08.15: Endoscopic Transpterygoid Approach to ITF and Upper Parapharynx
   **Prof. Ricardo Carrau**

08.45: Endoscopic Endonasal Nasopharyngectomy
   **Prof. Ricardo Carrau**

09.15: Endoscopic Endonasal Approach to Middle Cranial Fossa
   **Prof. Daniel Prevedello**

09.45: Endoscopic Endonasal Management of Petroclival Tumor
   **Prof. Daniel Prevedello**

10.15: Learn form Case Presentation
10.40: Coffee/Tea Break

Moderator: Dr. Tran Viet Luan

Dissectors: Prof. Ricardo Carrau & Prevedello

11.00: Demonstration of Endoscopic Skull Base Surgery in Fresh Cadaver:
   Endoscopic Endonasal transpterygoid approach: ITF Upper Parapharynx
   Endoscopic Nasopharyngectomy
   Endoscopic Approach to Middle Cranial Fossa

12.00 Lunch
13.00: Hands-on with the Faculty
16.30: Closing
